Maybe it's happened to you as it has to countless others...

You're driving home, listening to a story on NPR.

Suddenly, you find yourself in your driveway (or parking space or parking garage). Rather than turn the radio off, you stay in your car to hear the piece to the end... **it's a Driveway Moment.**

Have you had a driveway moment or been touched in some other indelible way by public radio? Is WUFT-FM or WJUF-FM an important part of your daily life? Tell us about it — we'd love to hear your story. Email us at drivewaymoments@wuft.org
